He was known around the world with his wonderful smile and friendly attitude. XE1L had 338/352 (current/total) confirmed in the ARRL DXCC Mixed standings. "Luis was a major DXpeditioner (see his qrz.com page) and a true gentleman" remembers G3SXW, Roger Western. Aside from being a DXer, Contester and a DXpeditioner Luis enjoyed traveling and as such was part of many DXpeditions, including: 3Y0PI, 9M0M, 9N7MD, S07L, TX5K, TZ6RM, W4T (NA-079), XF4L, XR0Y, XR0Z and XZ0A just to name a few. Luis was by no surprise a member of the A-1 Operators Club. Many who have attended Dayton, and I am sure other events, have photos of Luis with his always pleasant outlook of life. Mexico and the Amateur Radio community have lost a wonder friend.
